Club Tyrol Summer Reception at La Creperie, Vienna.

Left: For the 15th edition of the traditional Club Tirol Summer Reception, guests gathered for the first time at La Crêperie on the Upper Old Danube. Club Tirol President Julian Hadschieff (center) welcomed attendees and offered a preview of the upcoming highlights awaiting members after the summer break. The guests were then free to focus on the true purpose of the Club Tirol Summer Reception: enjoying a relaxed evening filled with inspiring conversations, making new contacts, forging friendships, and reconnecting with familiar faces.
